This is what they said about the Movement

I Pray every home in India may have children like
Scouts & Guides.

M.K. Gandhi

M.K. Gandhi

Not to take things too seriously, but to make the best of what you
have got, and to look on life as a game, and the world as a play
ground. And let your actions and thoughts be directed by love.

Baden Powell of Gilwell

Baden Powell of Gilwell

Look back in Gratitude, Look around with confidence, Look
forward with conviction.

Olive Baden Powell

Olive Baden Powell

I think the Scouts/Guides are excellent material and the
more they expand, the better for the country.

Jawaharlal Nehru

Jawaharlal Nehru

The Movement is designed to impart training to boys and
girls in character formation and make them strong,
disciplined and useful members of society. I should like to
appeal to every Scout & Girl Guide to remember Scout
Laws, to do one's duty without fear or favour and
be Ambassadors of Goodwill of the Nation.
