Dated : 04<sup>th</sup> June, 2016

### SUB.: APPEAL TO HELP SRI LANKA FLOODING AND LANDSLIDE SURVIVORS.

Dear Sir/Madam,

This is to inform you that in Sri Lanka, hundreds of thousands of people have been forced from their homes by floodwaters after a major storm hit the country on 16<sup>th</sup> May, 2016. Due to torrential rain and multiple landslides, over 3,00,000 people are now living in temporary shelters.

The flood hit 14 of Sri Lanka's 37 Scouting districts, where approximately about 10,000 Scouts and their families are heavily affected.

Asia-Pacific Regional Office of the World Organization of Scout Movement (WOSM) has appealed to Scouts – as individuals, groups or as a National/State/District Association to offer assistance that would cater to short term, medium and long term needs of survivors.

Short term assistance provides for emergency relief and contingency measures such as medicine, food, water and temporary shelter. Medium and long term will cater to recovery measures such as rebuilding social structures and infrastructure, training on disaster risk reduction, and environmental restoration.

All State Associations are requested to contribute for rehabilitation of flood victims. Please send the amount to Bharat Scouts & Guides, National Headquarters, New Delhi at the following account so that the fund may be transferred to Asia Pacific Region accordingly:

Yours in Scouting,
