SUB: WAGGGS- STOP THE VIOLENCE- "ACTIVATE" NATIONAL WORKSHOP- STATE LEVEL MASTER TRAINERS

Dear Sir / Madam,

Stop the Violence campaign is a unique educational initiative on violence against girls developed in partnership with UN Women. As we successfully move in the third year of the campaign we are happy to announce Annual National Training which will help our leaders to learn and talk about violence, understand its root cause, recognize their rights and develop the skills and confidence to take action. We are creating a global community committed to ending violence against girls, young women and children along with WAGGGS.

The selected candidate will act as State Coordinators for their State for Stop the Violence Campaign.
